Guideline for Crews of 3, 4, 6 and 7

Guidelines for excess/shortage of crew members

3 Crew Members:

Step 1: Crew member 1 will be assigned to the first 2 zones of their section (zones 1,2 or 5,6)

Step 2: Crew member 2 will be assigned to the last 2 zones of their section (zones 3,4 or 7,8)

Step 3: Crew member 3 will be assigned to flight deck (if applicable), lavatories, and galleys.

Step 4: Once crew member 3 is done with their tasks, they are to assist crew members 1 and 2 with their secondary tasks following the directions of the lead.

4 Crew Members:

Step 1: Crew members 2 and 3 will be assigned to the 2nd and 4th zone of their section (2,4 or 6,8) and will split the 3rd zone of their section (3 or 7).

Step 2: Crew member 1 will be assigned the first zone of their section (1 or 5) and then assist with the secondary tasks of the 3rd zone (3 or 7).

Step 3: Crew Member 4 will be assigned flight deck (if applicable), lavatories, galleys. Once complete assist crew with secondary tasks as required.

6 Crew Members:

Step 1: Crew members 1-5 will be assigned with one member per zone.

Step 2: Crew member 6 will be assigned to start secondary tasks right away in order of; overhead bins, vacuum and then screens and windows.

7 Crew Members:

Step 1: Crew members 1-4 will be assigned Zones 1 through 4.

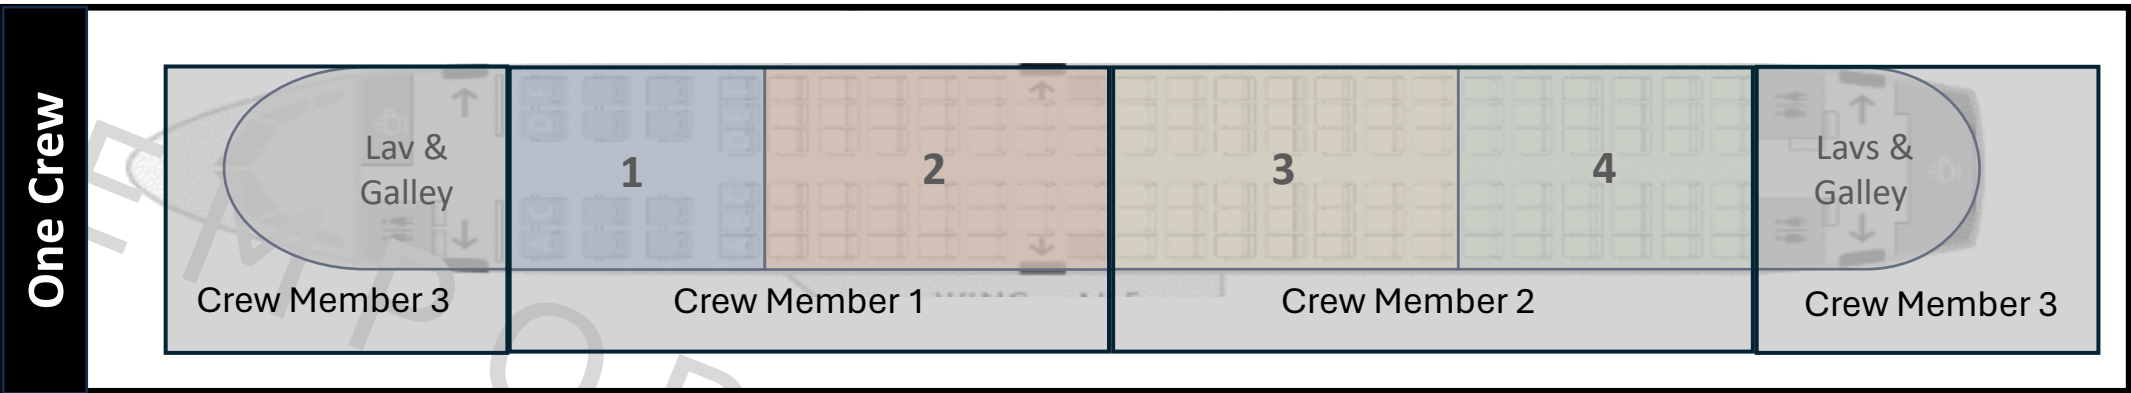

Step 2: Crew member 5 will be assigned Lavatories only.

Step 2: Crew member 6 will be assigned to start secondary tasks right away in order of; overhead bins, vacuum, then screens and windows.

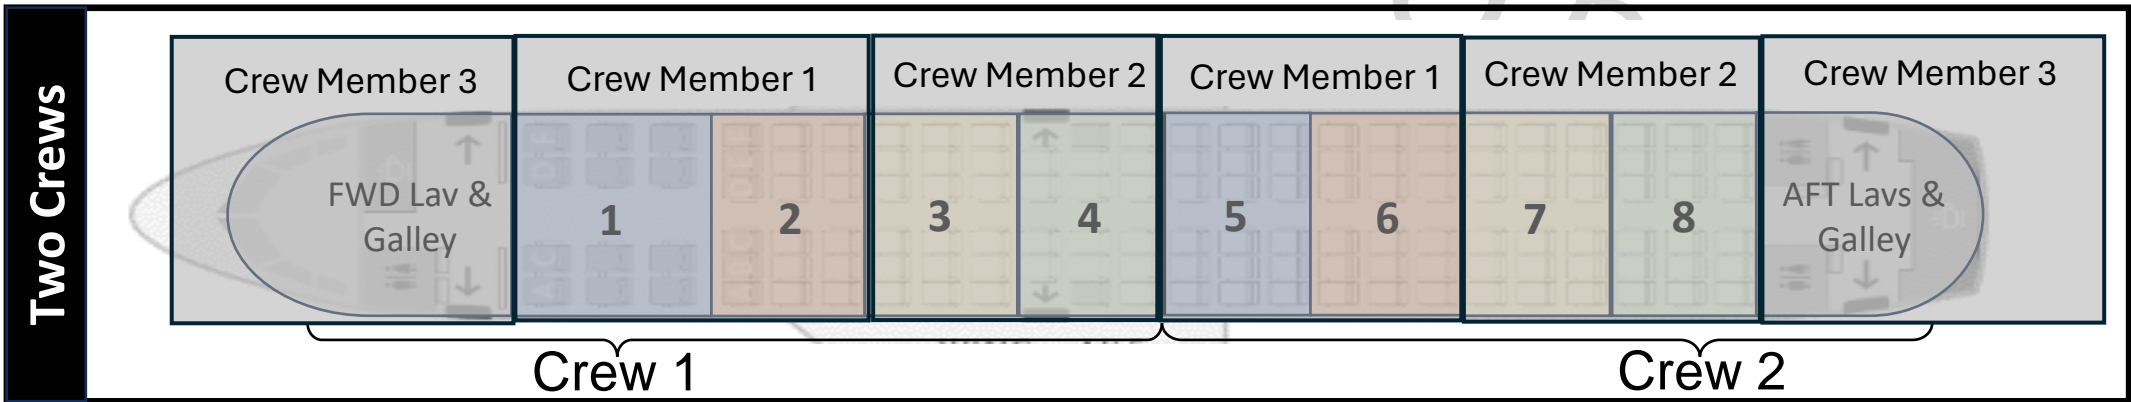

Step 3: Crew member 7 will be assigned flight deck (if applicable), and galleys.

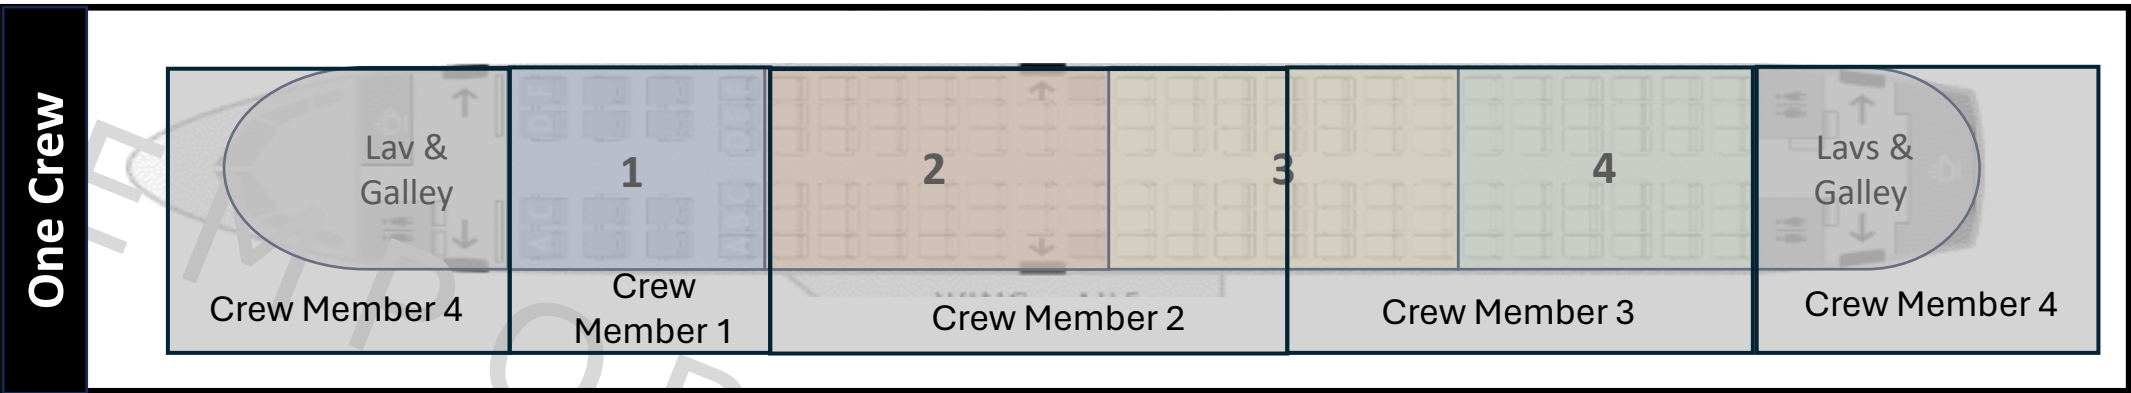

3 Crew Members

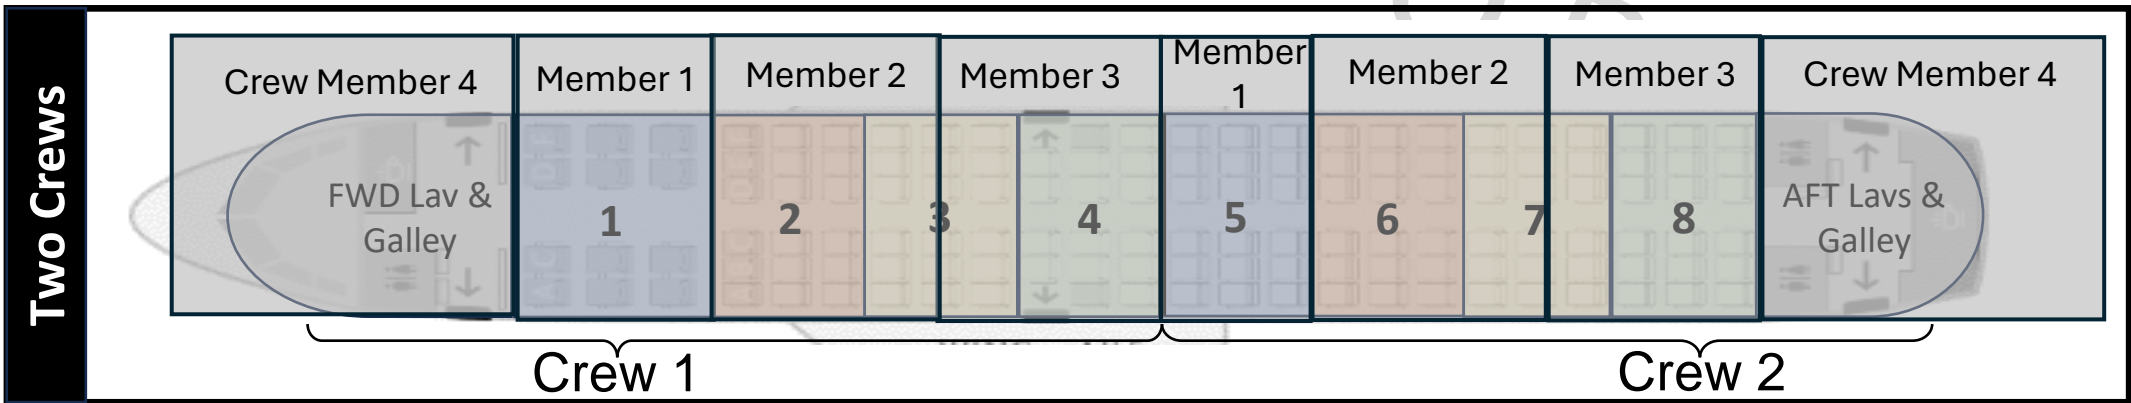

- Step 1:** Crew member 1 will be assigned to the first 2 zones of their section (zones 1,2 or 5,6)
- Step 2:** Crew member 2 will be assigned to the last 2 zones of their section (zones 3,4 or 7,8)
- Step 3:** Crew member 3 will be assigned to flight deck (if applicable), lavatories, and galleys.
